RICHEY PTO COMMUNITY PARTNER PROGRAM

The teachers and parents of Richey Elementary School are dedicated to providing high quality learning experiences to all of their students in grades Kindergarten through 5th grade. We, the school's Parent Teacher Organization ("PTO"), are excited to offer you the opportunity to help us continue this successful pattern in our children's education by joining the Richey PTO Community Partner Program for the 2024-2025 school year.

Richey Elementary School is a Title 1 school right here in Newport, Delaware. The designation of Title 1 means that the majority of our students come from low income families. The support of local businesses and families benefits our students, staff, and community. Contributions from Community Partners allow us to provide fun and free events (such as Trunk or Treat, BINGO, Glow Dance, and much more) for our students, help teachers and our school with supplies, teacher appreciation, and so much more!

We are offering three different levels of sponsorship, along with other ways to help our school. Community Partners will be recognized in many ways. Please see the enclosed paperwork detailing the options.

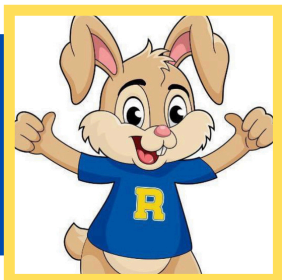

In addition to the tangible benefits, we believe sponsors will be proud to be connected to the children of the community, experience the pleasure of philanthropic giving, and develop school pride by joining the PTO Community Partner Program at Richey Elementary School.

The Richey PTO Community Partner Program Donation Form is enclosed in this packet. Complete all fields as you would like them to appear in print for the public. Please submit to the Richey PTO by October 31, 2024. Since the Richey PTO is a registered 501(c)(3) non-profit organization, your contribution will be tax-deductible. Upon receipt of donation, we will send you an acknowledgment of thanks including all information necessary for your tax deduction. You can also apply online at www.richeyppto.org/community-partners/application.

We look forward to forming a partnership with you. Your support will help the teachers and students of Richey Elementary School have another superior year of learning.

Thank you for your generosity!
